

(14) I took my folding pocket knife that was clipped to my pants on the right hand side, and opened it in self-defense. I immediately stopped trying to kick me in the face. Two employees of Tarrant County were in a motor vehicle (County marked truck) driving toward our location, stopped approximately 100 ft from us and exited the vehicle. I put the pocket knife in my front right pocket after closing it and walked toward them. I told them that the THALLE Company employee kicked me in the face after I identified myself with the Defense Security Service. I picked up my DELL Laptop Computer and headed toward the Hope Church building for Internet access to contact United States Marine Corps Base, Quantico VA, via Microsoft Skype to report the event to the U.S. Marine Corps Intelligence Division, Defense Intelligence Agency, FBI National Security Branch, and the Defense Security Service Counterintelligence Unit at 571-305-6222. As I walked toward the Hope Church building, a city of Fort Worth Police Department vehicle stopped on Beech St. Two City Police Department Agents exited the vehicle and walked toward me at a fast pace, telling me to stop that they wanted to talk to me. I gave them notice I was with the Defense Security Service - Department of the Army, and they have no business trying to stop me. I continued toward the Hope Church building, telling them that they knew I'm with the Department of the Army. Each City Police Agent had his hand on his weapon and ran up behind me, ~~grabbed~~ took hold of my arms, removed my Laptop Computer Carry case from my shoulder, placed me in arm lock position behind my back and handcuffed me. They are Mexican Nationals, State of Mexico.

(15) I was walked to the driveway of Hope Church and placed in the back seat of the vehicle, this City of Fort Worth Police Department motor vehicle had VIDEO TAPE CAPABILITY. A second motor vehicle stopped and gave instructions to the City of Fort Worth Police Department employees to park their vehicle by the bike trail west of the Beech St. bridge. Once parked they exited the vehicles, took the Dell Laptop Computer out of the Carry Case, placed it on the trunk lid and turned it on. The two Tarrant County Workers arrived in the truck, the THALLE COMPANY employee also arrived. The individual that had possession and turned the computer on was wearing a Tarrant County Sheriff's Uniform. The Tarrant County Sheriff's employee asked the THALLE COMPANY employee what happened, and he stated that he walked up to where I was working and identified himself as being with the Defense Security Service and asked what I was doing. I kicked him in the face, and kept kicking at his head until he pulled out the knife. ~~The~~ While he was telling them what took place, the Tarrant County Sheriff's Department employee was attempting to unlock the Computer by entering different passwords. The two Tarrant County workers were still present and eye witnessed the entire event as it took place. They login has my Department at The Army Counterintelligence Badge in infrared image, and my e-mail address williamwinstlow@usgovernment.army on the login screen.

(16)

The Tarrant County Sheriff Department employee made comments ~~at~~ that he changed the password recently and locked it, they were ~~unable~~ not able to unlock it. The Tarrant County Sheriff Department employee walked to the passenger side of the City of Fort Worth Police Department Vehicle and started to me that he was not with the City Police, that he was with the "County Police Force". He asked me for the password I refused, and told him to call the Department of the Army and see if they will give you the password. He asked again what the password was, I repeated my previous statement "Call the Department of the Army and see if they will give it to you". He then stated "you know I'm Russian" I repeated again "Call the Department of the Army". He then returned to the back of the vehicle and began talking to the others. The THALLER COMPANY employee asked him what ~~he~~ did he want him to do. The Tarrant County Sheriff Department employee told him he was going to falsify the Police report, and the City of Fort Worth Police were going to charge the Plaintiff prose William Maverick Winslow, with aggravated assault with a deadly weapon. He told the two County workers that if they did not falsify and lie in their Police report he would come back and Kill them because he was a foreign government agent. The Plaintiff prose was taken to the Tarrant County Jail and booked in under a ~~etc~~ wholly fraudulent criminal charge of aggravated assault with a deadly weapon, 2nd degree felony.

(17) The Plaintiff pro se, in or about the ~~31st~~^{25th} day of ~~November~~^{September} 2016, filed pro se MOTION TO QUASH THE PROSECUTION, MOTION FOR JURY TRIAL, and an "AFFIDAVIT" with the Tarrant County Criminal Court # 372, Case # 1470318. Filed an additional MOTION FOR SPEEDY TRIAL, ~~dit~~ on or about the 17th day of November 2016, detailing the facts of the case, and that the Plaintiff pro se William Maverick Winslow's Dell Laptop Computer, carry case, documents, papers, and ~~other personal~~^{whims} effects unlawfully confiscated by the City of Fort Worth Police Department employees, and the Tarrant County Sheriff Department employees, ^{DEEN ANDERSON} and the Tarrant County District Attorney, Sharon Wilson, and ~~the~~^{REN} PAXTON Attorney General, The State of Texas and their agents, contained the work product of the Plaintiff pro se William Maverick Winslow, as a Special Agent with the Defense Security Service / U.S. Army - Foreign Disclosure Officer, DEFENSE Contract Management Agency work product with my account(s), programs, and Companies under Department of Defense, General Services Administration, State, County, and City Government Contracts, operating within the DCMA, Defense Finance Accounting Service (DFAS), WIDE AREA WORK FLOW payment system, My DEFENSE CONTRACT MANAGEMENT AGENCY USER ID is E115565, My DEPARTMENT OF THE ARMY CAGE CODE is 94994, the MAVERICK RANCH FOUNDATION, INC. CAGE CODE is 4110. The Dell Laptop Computer, documents, papers, and effects contain Classified TOP SECRET DEFENSE INFORMATION, RESTRICTED NUCLEAR DATA, FORMERALLY RESTRICTED NUCLEAR DATA, and sensitive Compartmented INFORMATION, as defined within the meaning of sections 792, 793, 794 of R.U.S.C.

and all DOD, GSA, state, county, and city Government Contract Vehicles, Contractors, and Public Office holder's Financial Transactions with regard to, and relating to all GOVERNMENT CONTRACTS operating within these Commercial and Government Enterprises. The last time the Plaintiff prose William Maverick Winslow saw the Dell Laptop Computer, Carry Case, documents, papers, and effects was on September 18, 2016, at the property room at the Tarrant County Jail, while being booked into the Tarrant County Jail as a prisoner of KEN PAXTON, Attorney General, The State of Texas, and his co-conspirators and aider and abettors, Deean Anderson, Sheriff of Tarrant County, Texas, and ~~in~~ SHARON WILSON, Tarrant County District Attorney's Office.

On or about the 5th day of December, 2016, court appointed Counsel Glynis Adams McBristy met the Plaintiff prose, William Maverick Winslow ^{for} at the first time at the 372 Tarrant County Criminal Court holding cell. She stated that I filed a lot of Motions with the Court, a lot of "strange writing". I notified her that those Motions were filed by a Defendant prose and layman-at-law. She told me the District Attorney's Office is offering 10 years Felony Probation with adjudication of guilt withheld in a plea bargain offer. I told her NO, and that I filed a MOTION FOR SPEEDY TRIAL BY JURY. She stated that "We stopped doing that along time ago". She asked me if I had any recent head injuries, "when was the last time you had a head injury?". Do you take Drugs. ~~and~~ I told her she was a conflict of my interest.

I notified her again that I demanded a Trial by Jury pursuant to the Sixth Amendment to the United States Constitution. She then stated that the "offer" was for 10 year felony Probation with adjudication of guilt withheld. I again told her Trial by JURY. She asked me if I would sign an acknowledgment of Plea Bargain Offer. I told her she was fired, and no longer the counsel of record. She stated that "you didn't hire me, you can't fire me." "I think you are delusional and incompetent and I'm going to file a Motion FOR COMPETENCY EXAMINATION." "When was your last head injury." I then notified her I will file a DECLARATION OF CONFLICT BETWEEN ATTORNEY AND CLIENT AND MOTION FOR SUBSTITUTION OF APPOINTED COUNSEL due to an irreconcilable conflict. She asked me if I would at least sign the acknowledgment of Plea-Bargain offer. I signed it with my official credentials, and she asked if I signed it with my CREDENTIALS? Then walked back into the court room.

On or about December 10, 2016, The Plaintiff pro se filed his DECLARATION OF CONFLICT BETWEEN ATTORNEY AND CLIENT AND MOTION FOR SUBSTITUTION OF A APPOINTED COUNSEL with the ~~County~~ Tarrant County Criminal Court No 372.

On or about the 5th day of December 2016, the Tarrant County Criminal Court # 372, presiding Judge, District Attorney Sharon Wilson,

and their agents, acting under color of law or otherwise, acting in concert with others, in direct participation with the Court appointed counsel of record Elynis Adams McGinty, caused to be drafted and filed in the Tarrant County Criminal Court # 372, a MOTION FOR COMPETENCY EXAMINATION. This MOTION was Approved by the presiding Judge, Tarrant County Criminal Court # 372, The State of Texas. On or about the 14th day of December, 2016, Dr. Greg Norman called me out of my cell and gave me notification that "your Court appointed attorney, filed a MOTION FOR COMPETENCY EXAMINATION," and he would be conducting the examination and began asking me questions. I explained to Dr. Greg Norman in detail the events of December 3, 2016, outside the Court while I was in the jail holding cell, I did not enter into the court room, and as of the filing of this Petition For Writ of Habeas Corpus Complaint for relief, I have not appeared before the Tarrant County Criminal Court # 372. I was purportedly arraigned before the City of Fort Worth presiding Judge Collins of the City Court of Fort Worth, TX. During the course of the examination I mentioned to Dr. Greg Norman the District Attorney's Plea-Bargain offer of 10 years felony probation with adjudication of guilt withheld, he laughed and stated 10 years probation that's a good offer, I simply stated Trial by Jury, and returned to the jail cell.

(18) The Plaintiff prose, William Maverick Winslow, a citizen of the United States, a loyal, trustworthy, reliable, and honest employee, officer, victim, witness, complainant for the U.S. Government - Department of the Army, CAGE CODE 99994-44660, Defense Contract Management Agency - Defense Security Service adjudicator, USER I.D. EU15565. Did file his DECLARATION OF CONFLICT BETWEEN ATTORNEY AND CLIENT AND MOTION FOR SUBSTITUTION OF APPOINTED COUNSEL, to the Tarrant County Criminal Court # 372. The Plaintiff prose, requested the substitution of attorney of record due to an irreconcilable conflict, pursuant to Article 26.04, Texas Code of Criminal ~~Code~~ Procedure, pursuant to Art. 26.04 (k), Texas C.C.P. a court has the authority to replace an appointed attorney who violates Art. 26.04(d) by failing to adequately contact and/or represent the client. Where an accused voice's objections to appointed counsel, the trial court should inquire into the reasons for the dissatisfaction. See Thomas v. Wainwright, 767 F.2d, 738, 741, 11th Cir 1985; US v. Young, 482 F.2d, 993, 995, 5th Cir. 1973; Counsel's performance deviated from prevailing professional norms and continued representation prejudiced the accused trial; Substitution would not have caused considerable delay, and would not have obstructed the orderly procedure of the courts or interfered with the fair administration of justice.
